Ref. PhD-Admissions-2020/Notice-03

Date: 04/April/2020

Dear Selected Candidates

I am happy to inform you that most of the selected candidates have completed the admission formalities - by clearing admission fees, caution deposit and semester fees.

They are requested to mail the Transaction Details to me with a copy to Mr James Hemrom (unless you have already done so): james.hemrom@dbuniversity.ac.in

Some of you have approached the University expressing difficulty in completing admission formalities due to the ongoing lock-down.

In view of this situation, the University has decided to extend the date of admission, for the selected candidates, till 20/04/2020. They must complete the admission by depositing full fees by 20/04/2020.

The seats, remaining vacant after 20/04/2020, will then be assigned to 'Wait-listed Candidates' who will be contacted personally.

The PhD Course Work that was to start from 20/04/2020 stands postponed to a later date (to be announced later) after the COVID19 related issues have subsided and train, bus and airplane services have resumed.

Wishing you all the very best during these difficult days and with kind regards,

Yours Sincerely

JN Vishwakarma
