Ref. No. DBU/SM/83/21-03 dated 20<sup>th</sup> April 2021

### Guidelines for Students of Don Bosco University

In view of the latest instructions from the Government (ASDMA.28/2021/11 dated 20<sup>th</sup> April 2021), the University has framed the following guidelines to ensure compliance; and, more importantly, to ensure continuity of classes and instruction with minimum disruption for our students.

- **All classes** will be conducted by virtual mode (online) with immediate effect. *However, Lab Classes on campus (scheduled by the School of Technology), will continue till 24<sup>th</sup> April as planned.*
- **All Students** are hereby intimated that detailed schedules for online classes will be published by their respective Heads of Departments by 21<sup>st</sup> April. As long as the present situation continues, classes will be held only online; and coverage of all planned Courses for this Semester will be ensured. Schedules for assignments, tests and examinations will be announced shortly.
- **The hostels** will continue to be open for students who wish to stay on campus and attend the online classes as sufficient provision for physical distancing is available in all the hostel rooms. However, if any hosteller wishes to return home, she/he is free to do so after taking necessary permission in writing from the Head of the Department and the respective Hostel Warden. **Hostellers opting to remain** in the hostels are no longer permitted to go outside the campus area as long as the current restrictions are in place.
- **Any change** to these schedules will be announced only from the Office of the Registrar.
- **Any further guidelines** will be on the basis of future instructions from the government.
